

come, in the gallery facing us, Mr. Walters and his class of students from the Sparrows Point Senior High School in Baltimore County.

We welcome you.

*(Applause.)*

THE CHAIRMAN: The Committee of the Whole has under consideration Committee Recommendation R&P-2. We had moved down to section 6 and were about to consider it when we recessed last evening.

Section 6 is virtually identical with Committee Recommendation GP-9. The Chair would prefer to see the matter discussed at that time so that we can conclude consideration of Committee Recommendation R&P-2 promptly.

For this reason the Chair requested Delegate Kiefer to introduce an amendment deleting section 6. This will not remove the matter from consideration of the Committee of the Whole.

You will have the matter before you in substantially identical form later today.

Delegate Kiefer.

DELEGATE KIEFER: Mr. Chairman, has the amendment been prepared?

THE CHAIRMAN: The amendment is on the way over.

DELEGATE KIEFER: The amendment is simply to delete section 6 from R&P-2. As you know, there are technical matters to be covered here. This is a matter that is being worked on and I would therefore recommend to you that the amendment be accepted with the understanding, of course, that it will be considered fully under GP-9.

THE CHAIRMAN: Is there any objection to considering the amendment? Although not printed, it is on its way over from the printshop right now.

Delegate Moser.

DELEGATE MOSER: No objection, Mr. Chairman, of course. But I wonder if my amendment AC might be appended as an amendment to GP-9, whatever it is.

THE CHAIRMAN: We will have it reprinted in that form.

DELEGATE MOSER: All right.

THE CHAIRMAN: Is there any objection to reprinting the amendment at this time with the understanding that it will be on your desk in a very few moments?

The Chair hears none.

This will be Amendment No. 8. The amendment is moved by Delegate Kiefer. Is there a second?

*(The amendment was duly seconded.)*

THE CHAIRMAN: The amendment has been seconded. Is there any discussion?

*(There was no response.)*

Are you ready for the question?

*(Call for the question.)*

The question arises on the adoption of Amendment No. 8 to Committee Recommendation R&P-2 which is on page 2 to strike out all of section 6 Adoption of Common Law comprising lines 28 to 50.

This will not preclude discussion of this subject because the same matter is included in Committee Recommendation GP-9 which is on the calendar for later consideration today.

The sole purpose of the amendment, therefore, is to avoid double consideration of the same matter.

Are you ready for the question?

*(Call for the question.)*

The question arises on the adoption of Amendment No. 8 to Committee Recommendation R&P-2.

A vote Aye is a vote in favor of Amendment No. 8. A vote No is a vote against. Cast your votes..

Has every delegate voted? Does any delegate desire to change his vote?

*(There was no response.)*

The Clerk will record the vote.

There being 86 votes in the affirmative and one in the negative, the motion carries. The amendment is adopted and section 6 is deleted.

The next section before you is section 7.

Delegate Kiefer, you have an amendment to section 7? Delegate Scanlan has an amendment which would strike the entire section.

The Chair would be disposed to present Delegate Scanlan's amendment first unless you have any objection to that.

DELEGATE KIEFER: No, sir.

THE CHAIRMAN: Delegate Scanlan, you propose to offer your Amendment Q?
